I highly recommend this book to boys.

CHARACTERS:

Sir Wyvern Pugilist narrates the book while instructing you in the art of Dragon slaying. The book also gives a description of dragons that are sins. The end of the book includes short biographies of dragon slayers of old such as St. Alban and St. Columbia.

MAIN IDEA OF THE BOOK:

The main idea of the book is to slay sins of sorts and to identify the dragon you are fighting and the weapon to use for example to slay Snuffwick (trouble paying attention). A dragon slayer uses the arrows of truth, the belt of truth, and The Sword.

SETTING:

First, Sir Wyvern takes you on a trip to the armory where he shows you all the weapons of spiritual warfare. Then gives you a detailed description of the dragons habits and where they live.

WHAT WAS YOUR FAVORITE PART OF THE BOOK:

My favorite part was the "guide to dragons common and notorious. I liked it because it was the part with the spiritual warfare. It teaches you the weapons you need to slay all the dragons.

THIS BOOK IS NOT ONLY FOR BOYS BUT GIRLS ALSO, NOTE THE COVER HAS A GIRL TOO.
